

Since 1996, we have been advising companies on capital market affairs. Our current range of services covers all aspects of stock market flotation, M&A consulting, and capital market communication/IR management. We have been a Deutsche Börse Listing Partner for many years. Our highly skilled team provides the following services, partly in cooperation with our partners.

- Independent company valuation
- Due diligence
- Structuring and marketing of complete equity measures and organisation of beauty contests
- Investor relations services (press conferences, road shows, publication service)
- IPO consulting
- Continuing guidance of IPO companies (after sales service)
- Consulting for corporate and convertible bonds
- M&A consulting
